Note :-

- Please note that the brokerage levied to your trading account shall be the higher of brokerage value as per the existing rates or Rs.30 per settlement/segment, subject to the maximum rates prescribed by the regulator(s) from time to time.
- Brokerage is normally levied on % basis of transaction value as above. However, where the rate of scrip / futures contract is below specified rate where specified rate is calculated as A / B, then Minimum Brokerage in paise would be levied on Quantity instead of % rate i.e. If value based Brokerage is 0.25% with 5 paise as Minimum brokerage then specified rate would be (5 / 0.25) which is Rs. 20/-. Hence 5 paise would be levied as brokerage on per share basis where share price is less than Rs. 20/-.

3. In case of intraday transaction in Equity segment/ Stock Futures/Index futures / currency futures first leg rates as above shall be charged on the buy value or sell value depending upon whichever is higher and second leg rates shall be charged vice versa.
4. In case of option transaction (F&O Segment) a percentage of premium value as indicated above would be levied as brokerage if such value falls within the min and max value as specified above. If the percentage of premium value is below the Min amount or beyond the Max amount as specified above then the Min amount or Max amount respectively would be levied as brokerage.
5. In case of option transaction in NIFTY or in Mini Nifty (F&O segment), 0.50% of premium value would be levied as brokerage, if such value falls within the min and max value as specified herein. If the percentage of premium value is below the Min amount or beyond the Max amount then the Min Brokerage amount would be Rs. 50/- Per lot in case of NIFTY and Rs. 30/- Per lot in case of Mini Nifty. Max Brokerage amount would be Rs. 500/- Per lot in both the cases.
6. In case of option transaction in currency segment a percentage of premium value as indicated above would be levied as brokerage if such value falls within the min and max value as specified herein. If the percentage of premium value is below the Min amount or beyond the Max amount then the Min Brokerage amount would be Rs. 15/= Per lot and Max Brokerage amount would be Rs. 500/= Per lot.

7. Other charges:-

- A). Securities Transaction tax, SEBI Turnover fees, Transaction charges shall be levied as per the prevailing rates*.
